# WE KNOW OUR ONIONS. AND OUR NAMs.

Our experience and reputation has opened doors for us to work with a multitude of exciting businesses across the Consumer/FMCG space, from SME's and start-ups to the hero brands & market-leading businesses of the consumer and FMCG world.

If you're looking to partner with a business who understands your marketplace & your unique challenges - as well as your not-so-unique ones - we're confident that our no-nonsense approach will surpass your expectations.

# FOOD FOR THOUGHT

PIE's Consumer team helps businesses working across the breadth of the FMCG sector. Whether your business is just starting out & looking for those first, critical sales & marketing hires or whether you're an established presence in the market, looking to broaden your ecommerce or retail strategy, we can find the hard-to-find talent you need.

Our experienced team has worked successfully as a trusted partner to both founder and leadership teams, helping with individual contributor and leadership hires.

To find out how we can help your business achieve it's growth objectives through the hire of key people in the commercial disciplines, contact us for a chat.
